COB Recap

Congratulations on a great season to all of our members. This was a stellar final performance. We are all so impressed by the progress you have made bringing this show to life. You have done so many awesome and memorable things this year, from NYC to COB and all in between. Our score of 87.3 was the band's best since 2021. We hope all of this stays with you into the offseason and beyond!

I would like to give a huge thank you to the staff – Ethan, Noelle, Jack, and Scotty - for all they have invested into our students to create an impactful season.

Also thank you to the over 100 students (including band members), family, alumni, and friends that volunteered to make this event a great success. Thank you especially to our area chairpersons; Pat Cashman, Annemarie Catalano, Mary Rooney, Raina Rodriguez, Krista DiPaolo, Holly Feusner, Mike McNamee, Tina Carden, Pedro Viera, Pat Landis, and Joe Taylor for their planning of and leadership during the event. And of course, to WT MBA President Michele Gregory, and WT MBA Vice President, COB Chair, and Panther extraordinaire Sal DiPaolo for your extraordinary efforts in making our celebration a success.

Outside Marching Music Organizations

Especially for upperclassmen, are you interested in seeing what the marching arts look like at the next level? November is the season of Drum Corps open houses. Maybe someone will join me in the all-age class this summer. But even if you don't want to commit to a summer season, just going to the open house is a great experience and we have a couple very local this year! If you have any questions, I would be glad to talk drum corps or connect you to someone at the organization.

[Buccaneers Membership Day: December 1st at Hatboro-Horsham](#)

[Caballeros Open House: 11/30 and 12/1 in Wayne NJ](#)

Additionally, **AMP Winter Guard**, a WGI Independent World organization, is looking for people to march and spin with them in the Clementon Christmas parade. You would need to attend 3 practices. [For more information, click here.](#)
